EMPLOYMENT HISTORY

Assistant Librarian — K S School of Engineering & Management, Bengaluru.

April 2023 – Present

Library Operations & User Services

- Manage circulation, classification, shelving, OPAC queries, and daily library desk operations.
- Provide information retrieval assistance, digital database access support, and research consultations.
- Conduct orientation/training sessions on OPAC, e-resources, research tools, and citation managers.
- Lead outreach and engagement activities including book exhibitions, awareness drives, and digital bulletin updates.

Library Automation & Technical Services

- Administer Koha & Libsoft LMS for cataloging, circulation, user management, and item records.
- Customize Koha modules, MARC frameworks, and perform troubleshooting & software issue resolution.
- Generate SQL-based Koha analytics reports for circulation trends and usage statistics.
- Support integration of modern digital workflows for improving library efficiency.

Digital Services & Resource Management

- Handle DELNET services (ILL, document delivery, article/book chapter retrieval).
- Manage digital content using DSpace, Drupal, Joomla, and learning platforms.
- Maintain structured LibGuides and subject resource pages for students and faculty.
- Provide guidance on research tools, citation management (Zotero, Mendeley, EndNote), and digital repositories.

Data Reporting & SharePoint Management

- Maintain monthly/annual library usage reports, footfall data, and analytics insights.
- Manage document storage and internal resource sharing through Microsoft SharePoint.
- Support policy implementation, collection planning, budgeting, and resource development.

COURSES:

O'Level Computer Certification Course

National Institute of Electronics & Information Technology (NIELIT)

Covered: HTML, CSS, Java, Python, IT Applications, Internet Technology, MS Office, and Basic Web Design.
